

## Sarah Wessenberg

My name is Sarah Wessenberg, and I have been a teacher at En Avant Dance Studio for about four years. I started dancing when I was four, and have continued every since. The styles of dance that I teach include Hip Hop and Lyrical/Contemporary Dance. Outside of En Avant I have choreographed for productions with True Troupe, Cheyenne Little Theatre, and other small projects around the community. I have a strong passion for dance, and an even stronger passion for teaching. This year I hope to finish my Bachelor degree in Elementary Education from the University of Wyoming.
